NAMES: (AGES IF UNDER 18) _____

PHONE NUMBER OF GUEST FOR EMERGENCY _____

MAKE/YEAR OF GUEST'S CAR _____

DATES OF STAY: Arrive: _____ Depart: _____

The board has voted in favor of requiring every daily and overnight visitor ***that is not accompanied by an owner*** to wear a wristband/rubber bracelet while using the common areas or facilities to confirm that they are legitimate visitors and not trespassers. When an owner has a visitor that will be in their unit ***without them present***, they are asked to fill this form out and drop it off at the Board President's house. Wristbands will be given to the owner. Minors must be supervised by an adult at all times. The owner states that all guests have been made aware of and qualified by the policies, rules, and regulations of the Curry Creek Owners Association and owner attests that he/she/they are not receiving any remuneration in cash, time, or exchange for this day. If the wristbands are lost, there will be a \$5 charge to receive more. Guests are required to always wear these wristbands when the owner is not present, when using common areas or facilities. Residents will be responsible for the conduct of their guests while visiting Curry Creek. Non-Overnight guests cannot use recreation facilities for more than four days each month. The form can be printed and kept until the owner has a visitor. The form must be filled out and turned in ***before guests arrive***.

Note: Guests that stay for over 14 days become a tenant under Florida law and must fill out an application and pay the associated fees.
